PURPOSE

To foster the student learning and overall experience in AP biology

To learn about statistics and how to interpret data.

To promote Asian cultural awareness

To learn American Sign Language and understand the deaf culture

To help students gain a better understanding of Astronomy and Astrology

To support the mission and vision of the AVID program, while giving students an active voice and taking leadership with various community service opportunities

To promote the baseball program at Ramona High School

To help the boys basketball team strive and be successful in all aspects of their high school careers.

To compete in CIF for women's basketball

To educate, unify, and empower student body with knowledge of success, personal potential, perspectives, and life consequences that impact our daily lives

To increase the pep squad skills

To expose people to learning more about God and doing community service projects

To learn specific improvisation games and then compete with other local high school groups.

To support a life-long activity known as running

To promote all different styles of dance in a fun, safe environment.

To give the students an opportunity in the performing arts here at Ramona.

To provide funding for the football program.

To improve language skills, learn about French culture, meet new people, become involved in group activities, and acquire leadership skills.

To organize freshmen events.

To take a break from work and play video games

To promote vocal music at Ramona High

To strive to achieve excellence both in the academic setting and through fair athletic competition

To strive to achieve excellence both in the academic setting and through fair athletic competition

To advance knowledge in our economic and political systems and increase civic engagement

To build homes and communities for people who need it and cannot afford a place to live

To discuss the many different ways to live a healthy, happy, and well-balanced life.

To promote health careers

To help and volunteer for those who are battling cancer.
To make Riverside a better place for everyone.
To enhance understanding of careers in culinary
To represent the entire junior class and allow students input in Ramona activities
To help others
To mitigate enviromental issues, recycle, and donate profits to charity
To interact and socialize with our Special Ed students at Ramona by doing activities, making everyone feel equal and welcome and getting to know new people
To promote higher education, culture, and community service
To promote choral singing at Ramona.
To develop leadership, citizenship, and character in club members
To involve all students in theater opportunities and to serve the Ramona community through theatrical means
To promote a global awareness of the joy of mathematics.
To support the yearbook
To be academicly competitive
To serve as forum for all students to meet and discuss current political and social issues that fac the global community
To share ideas at Mary S. Roberts animal shelter on how to help the animals get adopted
To bring peace, spread love, and make a difference
To help all Ramona students learn to play the piano or simply listen to piano music.
To share ideas, views, and feelings through the various styles of poetry.
To create a safe and supporting school enviroment for all students, including LGBT students and their straight allies and to provide a place to develop friendship and greater understanding between all students
To provide a forum for any student interested in going to college after high school
To learn and understand technology through the use of coding, applications and hard ware.
To give student input, organize and support Ramona's Maker space activities and facility expansions
To explore and expand art at Ramona
To represent Ramona through dance in pep rallies and at the national dance competition.
To allow students of Ramona High School to be exposed to the career field of digital film production

To increase game crowds and school spirit.

To plan senior events

To promote and develop skills both on and off the soccer field and strive to achieve excellence in the classroom.

To promote physical activity and fitness through a sport. Bonding with other girls of all ages in our school and other schools.

To promote softball skills and self-confidence to take on the world

To plan sophomore events

To promote the sport of swimming through team building exercises that also builds integrity and hard work.

To provide a safe and healthy program for all students to compete at the highest level of sportmanship and skill

To provide a safe and healthy program for all students to compete at the highest level of sportmanship and skill

To build experimental devices using physics and engineering

To keep students informed about worldwide and Ramona events, and to teach students about real-life journalism skills.

To support our Track and Field program

To serve the student body through a variety of events and activities.

To combine the leaders from each of the VAPA disciplines to collaborate on activities, recruitment, and incentives.

To further workplace/community involvement

To promote and develop skills both on and off the volleyball court and strive to achieve excellence in the classroom.

To promote and develop skills both on and off the volleyball court and strive to achieve excellence in the classroom.

To advance the understanding and involvement of Ramona HS in the sport of Water Polo.

To advance the understanding and involvement of Ramona HS in the sport of Water Polo.

To discuss wrestling topics.
